

## **User Agreement**

Welcome to the SWAGNEWS website! Please read this user agreement carefully before continuing to use our website. By visiting and using our website, you confirm that you accept the terms of this agreement.

### **1. No personal data collection**

SWAGNEWS does not collect or process any personal data from website users. We do not require or request information such as name, email address, phone number, or other personal data that could identify you as a user.

### **2. Collection of visitor statistics**

We only use general statistical information to analyze website traffic. This data includes:

- Total number of page views.
- Frequency of visits.
- Amount of time spent on the website.
- Device type information (e.g., mobile or desktop).

The statistics collected are completely anonymous and do not contain any data that could identify individual users.

### **3. Use of cookies**

To ensure the convenience of using the site, SWAGNEWS may use cookies. These files help us improve the site by providing information about how users interact with different sections. Cookies do not contain personal information and are not used to track your activity outside of our site.

### **4. Limitation of liability**

We do our utmost to ensure the security and stability of our site. However, SWAGNEWS is not responsible for:

- Interruptions in the site caused by technical reasons.
- Loss of data or any other information transmitted by you through third-party services.

### **5. Changes to the agreement**

We reserve the right to make changes to this user agreement. All changes will be published on this page. By continuing to use the site after changes have been made, you agree to the updated version of the agreement.

### **6. Contact information**

If you have questions or suggestions regarding the site, you can contact us through the contact form on the site.

This agreement has been developed to ensure transparency and security when using our site. Thank you for choosing SWAGNEWS!

Let me know if you need any further modifications!
